

Prompt Poster Messi

Copia y pegá este prompt en ChatGPT

Prompt: A professional sports graphic design poster of Lionel Messi, designed in a clean, modern, and minimalist editorial style against a slightly textured off-white background.

Central Composition: In the center, a large vertical bold graphic shape contains a high-contrast black and white close-up portrait of Lionel Messi shouting or showing intense emotion. This graphic shape is slashed/segmented horizontally by clean white lines, revealing a solid bold Light Blue and white striped background behind the player's portrait.

Foreground Subject: In the lower right foreground, a full-body color action shot of Lionel Messi in their [Team Kit] performing their signature celebration. The subject breaks out of the central graphic frame, casting a soft, realistic drop shadow onto the background to create a 3D depth effect.

Typography & Layout:

Running vertically alongside the central graphic shape, bold black sans-serif typography spells out Messi.

Aesthetic: Graphic design layout, sharp details, editorial sports magazine cover, high contrast, clean vectors mixed with athletic photography, subtle paper texture.
